2024 AbbVie Immunology Scholarship

For this verification to be accepted, it must be uploaded with your application, by the deadline of May 20, 2024 at 3pm CST.

The AbbVie Immunology Scholarship is designed to provide financial support for exceptional students living with the following inflammatory diseases: ankylosing spondylitis (AS), Juvenile idiopathic arthritis (JIA), Psoriatic arthritis (PsA), Rheumatoid arthritis (RA), Uveitis (UV), Crohn's disease (CD), Ulcerative colitis (UC), Hidradenitis suppurativa (HS), Psoriasis (Ps), Atopic Dermatitis (AD).

Eligibility requirements: Applicants must have been diagnosed with AS, JIA, PsA, RA, UV, CD, UC, HS, Ps or AD by a healthcare professional. (If the applicant has been diagnosed with more than one of these inflammatory diseases, please choose the most relevant inflammatory disease for this application.)

It is not necessary for applicants to have taken, currently take, or intend to take in the future any medicine or product marketed by AbbVie; this will not be a consideration in the recipient-selection process.
