

Help build a better California:

Apply for the Better Together STEM Scholarship today

PG&E believes in helping students interested in being a part of California's clean energy future, giving them opportunities to learn and succeed in higher education. PG&E is awarding scholarships to help further STEM studies of students in California.

20 scholarships of \$10,000 each and 20 scholarships of \$2,500 each are available to high school seniors, current college students, veterans and adults returning to school who are PG&E customers at the time of application and are pursuing a degree in one of the following STEM disciplines:

- Engineering (electrical, mechanical, industrial, environmental, power and/or energy)
- Computer Science/Information Systems
- Cyber Security
- Environmental Sciences

Applicants must plan to enroll in full-time undergraduate study for the entire 2021-2022 academic year and be pursuing their first undergraduate degree at an accredited 4-year school in California.

Deadline to apply is June 1, 2021.
