

The Scholarship Program is available to assist Associates and their children with post-secondary education in college, university or vocational-technical schools. The scholarships are available each year for high school seniors or graduates who plan to enroll full-time at an accredited post-secondary institution of their choice.

Scholarship Program Awards

Each year, up to 30 scholarships of \$1,000 are awarded. Scholarships are not renewable; however, Associates and their children are welcome to re-apply to the program each year if they meet eligibility requirements. Awards are for undergraduate studies only.

This program is administered by Scholarship America[®], a designer and manager of scholarship, tuition assistance and other education support programs for corporations, foundations, associations, and individuals. Financial need is not taken into consideration.

Applicants are notified in June whether or not they have been selected. Awards are granted fairly and equitably. At no time does any Officer or Associate of TJX Canada play a part in the selection process.
