

The Wells Fargo Veterans Emergency Grant Program

Immediate, small grants for veterans
and spouses of disabled veterans

Don't let a financial emergency derail your educational dreams.

Wells Fargo's emergency grants ensure veterans already enrolled in postsecondary education are able to stay in school without creating undue financial hardship for themselves or their families. Through the Wells Fargo Emergency Grant Program:

- Immediate, small grants are available to eligible veterans and spouses of disabled veterans, who are enrolled in postsecondary education and experience unexpected financial difficulties that might cause them to drop out of school.
- Grants are available for a one-time distribution up to \$1,000 based on the cost of the emergency need.
- Grants are available on an ongoing basis while funds are available.
